

PLANTS BOMB IN NEW YORK—Svea Gruenfeld, who was a messenger for the anti-Nazi underground at the age of 14, plants a mock bomb on the main generator of a powerhouse

supplying New York's vast subway system. She was one of a group of three men and two women hired by the city to help determine how vulnerable New York is to Communist espionage and sabotage activities.

Argument Over Tidelands Swag Develops in Capital

Washington, Feb. 8. (AP)—Two backers of a Federal control of tidelands clashed yesterday over an amendment on how money from the submerged oil lands should be used.

Senator Hill, Democrat, Alabama, proposed to the Senate Interior Committee that the money be used for aid to schools. He said this change would gain support for Federal ownership groups.

Senator Anderson, Democrat, New Mexico, said the change might "lose us the whole fight." "I'm afraid we might get into difficulty trying to divide up the swag before we get hold of it," he said.

Chairman O'Mahoney, Democrat, Wyoming, said he called the session yesterday at the request of Hill, so testimony could be available on the oil-for-education plan when the Senate takes up the tidelands issue. The bill may come up for debate next week.

Enemy Air Potential Is Growing

Tokyo, Feb. 8. (AP)—Lt. Gen. Otto P. Weyland says if Allied air strikes are halted the Reds could mount a tremendous jet armada from North Korean airfields within 30 days.

The Far East Air Forces commander said in an interview yesterday the Communists have 15 good airfields which could be put into shape without much engineering effort.

All are located near supply points such as railroads or seaports, he added.

The Reds have insisted on the right to rebuild airfields during an armistice.

Weyland and his Air Force generals opposed this—until Allied negotiators offered to compromise and let the Reds rebuild some airfields for civilian use only.

Then Weyland and the others shut up.

But the general pointed out today that commercial airfields could be converted to military airbases simply by supplying them with gas, oil and bombs.

Weyland and his Air Force generals opposed this—until Allied negotiators offered to compromise and let the Reds rebuild some airfields for civilian use only.

President Defends Snyder and Brannan in Wave of Scandals

Plans for Annual Roundup Parade Discussed Here

Opening of Santa Rosa Roundup Will Be Held on April 28 This Year.

Plans for the Santa Rosa Roundup annual parade to be held April 28 in Vernon were discussed at a meeting of the 1952 float committee held Thursday afternoon in the Chamber of Commerce offices.

A "western song title" theme will be used by entries this year. Organizations have been asked to call the Chamber of Commerce office and list the song theme they wish to use in order to avoid duplication.

Mrs. Ben Boston, chairman of the float committee, said that a new division had been provided this year for junior organizations in the county to participate in the parade. Separate prizes will be awarded in this division.

Rules and regulations for float entries will be mailed out next week to county organizations. Any organization wishing to enter a float in the parade can do so by calling the Chamber of Commerce office.

All organizations have been urged to enter a float in the parade in order to make it one of the most colorful parades ever staged in Vernon.

Members of the committee are Mrs. Boston, Mrs. Harry Colley, Mrs. B. T. Juvenal, Mrs. Frank Long, Mrs. J. B. Golden, Mrs. Emil Kester, Mrs. Raymond Koonitz, Mrs. Claude Bildstein, Mrs. W. P. Thomas and Mrs. Lloyd Hill.

Reds May Ignore Previous Offer

Munsan, Korea, Feb. 8. (AP)—Allied spokesmen said today the Communists apparently plan to gear delivery of war prisoners to the Allied delivery rate.

The U. N. communique said there were indications that the Reds "will no longer adhere to their previous offer of completing the return of U. N. C. prisoners within 30 days after the armistice."

Instead, the Communists said the two-month time limit included in their prisoner exchange proposal of last Sunday applies equally to both sides.

Last month Rear Adm. R. E. Libby said the Allies would need 90 days because the U. N. has 116,000 prisoners. U. N. spokesmen indicated the Allies subsequently cut 30 days off their figure and asked the Reds who have only 11,559 prisoners, to do the same.

Chinese Col. Tsai Chang-Wen replied, "we cannot agree to different time limits for each side."

Col. George W. Hickman told newsmen, "they don't want to give all of their's back until we give them all of ours."

Probation Officers Scheduled Meeting

A meeting of State juvenile probation officers has been set for March 14-15 in the new juvenile county offices in Dallas, according to word received here today.

Ben Woodington, county juvenile officer, said that he and County Judge A. D. Green would try to attend the very important meeting.

HEARING SCHEDULED

Austin, Feb. 8. (AP)—Applications of two bus lines to increase fares were set today for public hearing by the Railroad Commission for 9 a.m., Feb. 21. The increases were asked by the Painter Bus Lines operating in South Texas and the Beaumont-Silsbee Bus Line. Painter lines sought an approximate 10 per cent general increase. The East Texas line sought to increase its minimum fare from 10 cents to 15 cents.

IN SENATE RACE

Washington, Feb. 8. (AP)—Rep. Mike Mansfield (D-Mont.), global trouble-shooter for two presidents announced today he will campaign for the Democratic Senatorial nomination in Montana.

Winnie Ruth Judd Returns To Hospital After Six Days Of Freedom; Won't Talk

Phoenix, Ariz., Feb. 8. (AP)—Winnie Ruth Judd, notorious trunk murderer of two decades ago, apparently was helped by persons who were very young, possibly teen-agers, in making her fifth escape from the State Hospital here, Dr. M. W. Conway said today.

Dr. Conway, director of the Arizona Institution for the Insane, stated in an interview that Mrs. Judd, who returned to the hospital last night after six days of freedom, wouldn't tell who helped her.

"But I surmised from what she said that they were not only young, but there was more than one of them."

He said he was unable to obtain any definite information about the help she received, but had pieced together the following story of what had happened to the scratched, bruised and tired woman:

She picked a lock on the door leading to a third story tower Saturday night, climbed the stairs and went down an improvised rope of restraining straps.

The rope broke while she was still 12 to 15 feet from the ground, and Mrs. Judd fell, bruising her back and legs. She went

Former Oklaunion Resident Is Dead

A former Oklaunion resident, Mrs. G. T. Featherstone, 75, of Mineral Wells, succumbed in a Vernon hospital Friday morning after a short illness.

Mrs. Featherstone, a resident of Oklaunion as a young woman, had come here from Mineral Wells for treatment.

She was born Aug. 12, 1876, in Missouri. Her name before marriage was Emily Ferguson.

Survivors include the husband; two sons, G. A. of Dallas and R. W. of Omaha, Neb.; four brothers, C. D. Ferguson of Davidson, Okla., Edgar and Prentice Ferguson of Wichita Falls and B. V. Ferguson of Lawton; two sisters, Mrs. E. R. Steele of Fort Sill and Mrs. M. J. Graham of Los Angeles. Three grandchildren also survive.

Funeral services will be held here sometime Sunday. Arrangements, under the direction of the Cato Funeral Home, are incomplete.

The theory that a car had been waiting outside the hospital grounds to meet Mrs. Judd was repeated by the superintendent, but he said he gathered from her statements that it left before she gained her freedom.

"She finally met the same people in some pre-arranged rendezvous," he continued. "After miles of walking she apparently reached some pre-arranged spot."

The missing woman had bruises on her legs and hips, and complained of a sore back. Her feet were swollen and bruised, her fingers blistered and some fingers apparently wrenched.

Master of ceremonies for the program was Paul Cargile, counsel commander; George W. Hine, state manager of Abilene, gave the invocation.

Officers installed were Olin Barrett, counsel commander; Paul Cargile, post counsel commander; Smith Killebrew, advisory lieutenant; Robert Cooper, banker; Raymond Mills, escort; Charlie Lawson, watchman; Tommy Vane, sentry and Dale Davis, manager.

Other officials present for the ceremony included Mrs. Lena Shugart of Garland, state superintendent of Northwest Texas and national director of the Supreme Forest of the Woodmen Circle; Mrs. Lorene Reinhardt, district manager of Wichita Falls.

Mrs. J. O. Brunk was installing musician, Mr. Hine installing officer and R. C. Bourland, installing escort.

WINS CONFIDENCE VOTE

Paris, Feb. 8. (AP)—The three-week-old government of Premier Edgar Faure won a slim 292-275 vote of confidence early today in the National Assembly. The issue, a procedure one, was whether the Parliament should consider at once the Premier's proposal for a guaranteed wage scaled to cost of living. The assembly voted to take up the issue. But the narrow margin meant the test on the bill itself, probably this week-end, would be critical.

over the nine-foot barbed-wire fence at the north end of the hospital grounds and headed north.

From there Dr. Conway said the fading "Tiger Woman" apparently became confused and was not certain where she went. He said she never got out of the Phoenix area.

"She apparently had some shelter, but no regular food," he said. "She had a hard time of it."

Dr. Conway was unable to elaborate on the mystery of how Mrs. Judd set up her escape and who could have helped her. But he repeated his conviction she had help.

Capt. Stanley Kimball of the Maricopa County Sheriff's office said police were still working on the problem but had nothing new to report. He said he hadn't heard that "very young" persons might be involved.

Mrs. Judd, 48, was committed to the hospital in 1933, two years after she killed Agnes Anne Le Roi and Hedvig Samuelson, two of her closest friends. She was 27.

She shipped their dismembered bodies in a trunk and suitcase to Los Angeles.

Mrs. Judd returned to the hospital last night under strange circumstances. Dr. Conway said about midnight a car drove up in front of his residence, adjacent to the hospital, and there was a rap on the door. When he opened the door she was standing there and said:

"Well, I'm back."

"I hardly recognized her," he said. "She had her hair line lifted by plucking hair from the front part of her head. She had dyed her hair a darker color."

The superintendent said he made a mistake in saying at first that she had her face lifted. Her changed appearance had made him think so, he said.

Dr. Conway said he caught a glimpse of the car that had returned the trunk murderer but was unable to get a description.

It had been rumored yesterday that Mrs. Judd would return if the county grand jury, summoned several weeks ago to investigate any phase of public activity in the county, would allow her to testify. They had announced they would.

Dr. Conway said he thought that the jury announcement had influenced her return.

The theory that a car had been waiting outside the hospital grounds to meet Mrs. Judd was repeated by the superintendent, but he said he gathered from her statements that it left before she gained her freedom.

"She finally met the same people in some pre-arranged rendezvous," he continued. "After miles of walking she apparently reached some pre-arranged spot."

The missing woman had bruises on her legs and hips, and complained of a sore back. Her feet were swollen and bruised, her fingers blistered and some fingers apparently wrenched.

Observers Predict Truman Will Not Seek Re-Election

(By The Associated Press)

President Truman's news conference comment that he's going to let the political river take its course has been interpreted by some of his closest friends as an indication he does not plan to run again.

Jack Bell, Associated Press political reporter, says he has learned from a close associate of the President that Truman's inner circle expect he will step aside at the proper time and name his choice of a successor—barring unforeseen developments.

"The President is said to believe the Republicans will nominate Senator Taft of Ohio, and

that the Democrats have a good chance to defeat him in November's election.

His "political river" remark yesterday (Thursday) was seen as a sign he is giving other Democrats a chance to show what they can do and that he may throw his support to the strongest, provided it isn't Senator Le-fa-ver of Tennessee.

Elsewhere on the political front:

1. Taft said in a radio (MBS) address: "Eisenhower's popularity isn't as widespread as some people seem to think."

2. Sen. Lodge (R-Mass), manager of Gen. Dwight D. Eisenhower's presidential campaign said in New York: "Public sentiment favors Eisenhower overwhelmingly. If the sentiment can be translated into delegates at the convention, Eisenhower will be nominated on the first ballot."

3. William L. Pfeiffer, New York State GOP chairman and Eisenhower supporter, said in Washington: "Eisenhower will get all of New York's 96 convention votes."

4. Taft backers: "We will get up to 20 New York votes."

GOP Senators To Contest Truman

Washington, Feb. 8. (AP)—Two Republican senators announced today they'll fight any move President Truman makes to take over and run the RFC himself.

The President's latest feud with the Senate revolves about Senate refusal to approve his nomination of Harry A. McDonald to head the huge government lending agency, while another federal agency McDonald now heads is under House investigation.

The President yesterday confirmed at a news conference he had told a Senate delegation he was prepared to run the RFC himself, if that seems necessary.

"It's just too big a job for Harry," Sen. Mundt (R-S.D.) said, adding he would challenge the legality of such a step in any event.

Sen. Capehart (R-Ind) also announced he will ask the Senate banking committee "to take a look into the law books and find out whether the President properly can take over this independent agency, created by Congress, and run it to suit himself."

A House commerce subcommittee is studying charges—not aimed at McDonald personally—that fraud has marked Securities and Exchange Commission (SEC) policing of the nation's stock and bond trading, McDonald, a Republican, is chairman of the SEC.

Child Desertion Charges Are Filed in Vernon

Charges of child desertion were filed before Justice of the Peace C. W. Shepherd Friday against W. D. Curtis, Jr., whose home address was listed as Fort Worth.

The charges allege that Curtis deserted a six-year-old daughter. Bond was set at \$1,000 in the case.

FIVE PERSONS FINED

Five persons were fined Friday in Corporation Court. Two men were fined \$25 each on charges of drunkenness, one man paid a fine of \$10 on charges of drunkenness and two men paid fines of \$100 each on charges of vagrancy.

Says Heads of Departments Are Not Responsible

Insists Brannan Is Not To Blame for Shortages of Grain.

Washington, Feb. 8. (AP)—President Truman insists that neither Secretary of Agriculture Brannan nor Secretary of the Treasury Snyder can be blamed for scandals which have hit their departments. He stoutly defended both cabinet members at his news conference yesterday.

The President disputed charges by Sen. Williams (R-DeI) that Snyder has not been aggressive enough in clearing up the Internal Revenue Bureau.

Williams said in a Senate speech he knew of no evidence that Snyder had brought charges against any bureau officials who might have been guilty of condoning corruption. He said Snyder must shoulder responsibility for "disgraceful conditions" in the bureau.

Lists Action Taken

The President asked how much more aggressive the senator would like Snyder to be. He said those involved in the income tax scandals have been named and removed from office. He added that some have been indicted and one tried and convicted.

What Williams would like, the President said, is to have all the internal revenue collectors fired so Republicans could be put into the jobs.

Before Congress now is a presidential plan to abolish the 64 politically appointed collectors' jobs and replace them with 25 civil service posts.

Mr. Truman told newsmen that Brannan could not be blamed for the multi-million dollar shortages reported in Government grain reserves. He said—without naming anyone—that these grain fellows had been doing the stealing.

Brings Up Subject

The President brought up the subject himself in commenting on reports that the Government may lose around five million dollars in grain diverted from commercial warehouses, mostly for speculation.

Brannan himself defended his department in a letter to Chairman Ellender (D-La) whose Senate agriculture committee is investigating the grain shortages.

The agriculture secretary wrote he was proud that so far the investigation had not turned up even the remotest evidence that any agriculture department employee had acted fraudulently or been an accomplice of private businessmen in defrauding the Government.

Former Justice of Peace Heard in Trial

Marfa, Feb. 8. (AP)—J. C. Poole, former justice of the peace at Presidio, testified yesterday he shot Jack Jennings, 19, when he found Jennings struggling with a police officer.

Poole is charged with fatally shooting Jennings Feb. 26, 1951, in front of a Presidio cafe.

He told an 83rd District Court jury he aimed at the youth's shoulder, as Jennings struggled with Presidio County Deputy Sheriff Mack Tarwater, 50.

Tarwater was shot in the hand during the scuffle. Jennings was shot in the back.

Firemen Answer Two Calls Here Thursday

Firemen answered their third and fourth fire calls of the month late Thursday. One was a grass fire at 525 Wilbarger Street and no damage was reported.

Burning trash caught lumber on fire and endangered the old Boys Club building on Wanderer Street, but firemen extinguished the blaze before any damage occurred.

"Well, someone bit me—and when I find out who—he'll be for sale in the Vernon Record Want Ads!"

Forecast: Partly cloudy through Saturday. No important temperature changes.

Ike Boosters in New York City

New York, Feb. 8. (AP)—With whoops and yells of "We Like Ike," a thousand Texans roared (that's the word for it) into town today for an Eisenhower-for-President rally tonight.

A 46-piece band from Abilene blared as the visitors, waving banners and Confederate flags, swarmed off a special train at Pennsylvania Station.

The flags, said W. H. Francis, Houston, are a symbol of "the revolt against Truman in Texas."

Men in the 1,085-strong delegation all wore ten-gallon hats. They thronged the station concourse, carrying banners indicating where they came from—Amarillo, Fort Worth, Dallas and others.

While the cowboy-costumed band cut loose with an impromptu concert, Fred Poole, Alice, Texas, reeled off some verse (it goes to the tune of "Deep in the Heart of Texas") which went, in part: "Deep freeze and minks and all those pinks; "You bet, they're not from Texas. "Let's switch to Ike, the guy they like,

"From 'way down there in Texas." Some delegates passed out giant-size make-believe \$100 bills.

The group brought a square of sod, meaning, they said, that there's a "grass roots movement for Ike."

General Eisenhower was born in Denison.

The rally tonight at Madison Square Garden has been advertised in full-page newspaper layouts, declaring: "To vote for Eisenhower in November, you must stand up and be counted now."

"In the smoke-filled rooms of the convention at Chicago in July, you may be robbed of your chance to vote for the President you want and America needs."

Woman Acquitted On Murder Count

Bakersfield, Calif., Feb. 8. (AP)—A jury acquitted Mrs. Sarah Elizabeth Allen, 54, last night on a charge of murdering her husband, Samuel Ellis Allen, 46, in a shooting at their home here last Dec. 9. The Allens formerly lived in Abilene, Texas.

The jury in Superior Judge Norman F. Main's court took the case at 4 p. m. yesterday after a week's trial. Deliberations continued until 11:20 p. m.

Mrs. Allen claimed self defense. She testified that amid a domestic quarrel her husband tried to drown her in the bath tub. She said that in her fright she ran into a bedroom, grabbed a .38 calibre pistol and shot him.

Allen was a foreman in a cotton seed oil plant. The couple came here three years ago.

Her son by a previous marriage, Warrant Officer John McKinzie of the aircraft carrier Essex, now stationed at San Diego, Calif., came here for the trial. He said he and his mother would leave today for a short trip, then return to settle her affairs. He did not indicate where she will make her future home.

Three Members of Council To Inspect Girl's School

By MARTHA COLE

Gainesville, Feb. 8. (AP)—Three members of the State Youth Development Council headed here today for a first-hand look at conditions at the State School for Girls.

One member, Leslie Jackson, Dallas, said it was just a first-hand look at the school in preparation for a general council meeting Feb. 21, when the program at the school will be reviewed.

Others named to go with Jackson were Mrs. R. J. Turrentine, Denton, and W. D. Whalen, McAllen.

The school superintendent, Mrs. Maxine Burlingham, said yesterday she and her staff are "being crucified" by Houston newspaper accounts of conditions at the school.

In Houston, R. J. Watts, managing editor of the Houston Chronicle, said the facts did not bear out Mrs. Burlingham's charge.

A habeas corpus hearing was held in Houston last week for a girl inmate of the school. The girl was not released from the custody of the State Youth Development Council, which has jurisdiction over the State Girls' School, but was committed to the supervision of the Harris County psychiatrist.

In his statement yesterday, Watts said:

"The Chronicle has not reported that the 16 year old Houston girl testified she was whipped. On the contrary, the Chronicle has quoted her as saying she was not whipped," but that she had seen one girl whipped and heard of other girls there being whipped. Watts added that Mrs. Burlingham also was quoted as saying the girl was not whipped.

"According to the testimony of both the girl and Mrs. Burlingham, the whippings are administered by a man wielding a strap while two other men hold the girl stretched across a table," Watts said. "The

Chronicle has published interviews telling of whippings of two other girls."

Mrs. Burlingham told A. Morton Smith of the Gainesville Record that a girl quoted by the Houston Chronicle as saying she had been whipped "actually was never touched and admitted that on the stand at Houston."

Mrs. Burlingham testified at the Houston hearing that girls are whipped "on extreme occasions."

Several days later, John H. Winters, executive secretary of the Youth Council, said from Austin that Mrs. Burlingham has decided against any further whippings pending discussion of policy on the matter by the council. He said Mrs. Burlingham had made the decision independently and not at his discretion.

Winters said he was not certain how many girls have been whipped at the school the past year, but the number was "approximately five."

During the hurricane season on the Caribbean island of Antigua, winds up to 150 miles an hour blow away everything not securely fastened down.

COTTON SEED

FOR SALE

12 or 15 tons of Joe Summerour's Old Style Half-and-Half Cottonseed at \$5.00 per bushel. I put up these seed two years ago last fall. They have just been planted one year out of Georgia. Also, 12 tons Acala Seed put up the same year.

Fort Worth Grain Dealer Indicted

Amarillo, Feb. 8. (AP)—Herman Dawson, Fort Worth grain dealer, was indicted yesterday by a federal grand jury on 24 counts of converting government grain to his own use.

The indictment, the first criminal charge filed in the current probe into government grain shortages, estimated the value of the grain at \$400,000.

Dawson was one of several Texas grain men recently named in grain shortage suits filed by the Commodity Grain Corporation. Previous charges filed against warehousemen with shortages of grain have been civil complaints.

He is charged with converting to his own use grain from the company's elevators at St. Francis, near Amarillo, and grain stored in government buildings at Amarillo Air Force Base.

The indictment was one of more than 30 returned by the grand jury.

Embezzlement indictments were returned against two Panhandle bankers.

Leland Ashton Manzar of the Wellington State Bank was indicted on two counts of embezzlement, charging embezzlement of \$30,000 on Oct. 17, 1950, and \$30,000 on June 23, 1951.

Harold Ray Frank, of the First National Bank of Perryton, was named in a four-count indictment charging embezzlement of \$18,938.45 and three counts of making false entries in bank books.

Kirby L. Scudder, Slaton, Tex. postmaster, was indicted on three counts of embezzlement of money from the mails.

Strike Ends in Seven States

Memphis, Tenn., Feb. 8. (AP)—The week-old strike of long haul truck drivers in seven southeastern states was ended late last night, but drivers in three other states—Arkansas, Oklahoma and Texas—continued on strike.

A. E. Green Sr., chairman of the southeastern truck operators' negotiation committee, announced carriers and AFL truck drivers in the southeast had agreed on a new contract "essentially as the union proposed."

The union had asked a 1-cent pay hike to \$1.41 an hour and a three quarter increase in the mileage scale. The carriers countered with a 12-cent hourly increase and a half cent more on mileage.

The strike began a week ago today and affected about 10,000 drivers in the ten states.

Many Vernonites Attend Altus Templeton Concert

A large group of Vernon music-lovers attended the outstanding concert presented by Alec Templeton, world-famous pianist-composer, for the Community Concert Association in Altus, Okla., on Thursday evening.

The opening section of the program included Prelude and Fugue No. 2 in C Minor from Book I, "Well-Tempered Clavier," by Bach, "Sarabande" and "Minuet" by Purcell, "Sonata Pathétique in C Minor, opus 13" by Beethoven, and one of Templeton's famed improvisations.

An outstanding rendition of "Barcarolle in F Sharp," by Chopin, favorite of pianists, opened the second portion of the program. It was followed by selections from Falla, Prokofiev, Cyril Scott, Debussy and Ravel. The superbly executed Debussy number, "Bruyère" (Heather) from Preludes, Book II, was one of the highlights of the evening. An encore of "Tales from the Vienna Woods," by Johann Strauss, concluded the second part of the concert.

An All-Templeton program concluded the evening's concert and was noteworthy for the excellent improvisations that are one of the outstanding attractions of this artist. In closing Mr. Templeton improvised a classic-sounding medley from four numbers, two classic and two modern, chosen by the audience. The numbers used in the medley were "One Alone," "Clair de Lune," "Shrimp Boats" and "Slow Poke."

Among the Vernonites attending the concert were Mesdames J. B. Golden, A. C. Smith, W. P. Thomas, Ethel Graves, Gene Roberts, C. C. Hamm and son, Ronnie, Gerald Carter, Elzy Youngblood, Hub Colley, Sr., W. H. Huggins, J. F. Henderson, J. J. Slaughter.

Farmers Valley Club Has Program On Frozen Meats

The Farmers Valley Home Demonstration Club met Wednesday afternoon in the home of Mrs. Edward Brock with Mrs. Ottie Grimes, president, in charge.

The meeting was opened with group singing and repetition of the club collect led by the hostess. A letter of appreciation for the club's participation in the Polio Drive from the Vernon Business and Professional Women's Club was read. It was announced that Miss Joy Riley would give a demonstration on "Growing as We Live" at the next meeting on Feb. 20, in the home of Mrs. Wilburn Rape.

Mrs. N. D. Brock was elected nominee from the club for delegate to the Spring THDA District meeting. It was voted to have a family party on the evening of Feb. 22, with Mrs. N. D. Brock as hostess.

An interesting demonstration on "Preparation of Frozen Meat" was presented by Mrs. Edward Brock and Mrs. N. D. Brock. It was pointed out that frozen meat should be kept at zero or lower until ready to use and should never be refrozen after it has thawed because of danger of botulism poisoning. A large steak was broiled using aluminum foil and samples were served to those present.

Refreshments were served by the hostess to Mesdames Rape, Frank Gamble, J. E. Calvert, Etta Randel, Grimes, and N. D. Brock.

enhop, and Hazel Earnest; Misses Sherry Youngblood, Louise Mason and Sandra McCrary; Dick Sewell; Dr. and Mrs. Dan Nowlin; Dr. and Mrs. Y. H. Babasin; and Messrs. and Mesdames Ted Herd, J. R. Couch, Frank Byrd, M. C. Archer, Richard E. Smith, Jack Frost, Hugh Bourland, A. F. Winston, R. L. Westmoreland, M. L. Sharp, Jr., B. H. Serold, Norman Loader, Vernon Pennington, J. F. Belew, Jr., G. E. Carpenter and daughters, Betty Nan and Diane, A. M. Hiatt, Homer Smith and Frank Stever.

Meeting of Past Noble Grands Is Held Thursday

Mrs. Clyde Smith was hostess to members of the Past Noble Grands Club at her home Thursday evening with Mrs. Earl Swim as co-hostess.

The guests were greeted at the door by Mrs. Smith and presented with corsages in the club colors. The entertaining rooms were decorated in red and white, carrying out the Valentine motif.

Mrs. Jack Underwood, president, conducted the business meeting. Roll call was answered with names of famous Americans. The club creed was repeated in unison, followed by the club song, a quilt was displayed which has recently been completed by the club and plans to sell it at auction were made. Members were urged to attend the open house meeting of the Vernon Rebekah Lodge next Tuesday night, at which time the girls of the Theta Rho Club will be guests and present a program.

Mrs. Bertha Ross was program leader for the evening and led a discussion on the lives of George Washington and Abraham Lincoln. A social hour followed the program. Refreshments of cherry pie and coffee were served to 16 members.

Lottie Still Circle Has Regular Meeting

The Lottie Still Circle of the First Presbyterian Church met recently in the home of Miss Catherine Weaver.

The meeting opened with the Lord's Prayer in unison. A business session was presided over by the circle leader, Mrs. Harold Shive, during which regular business was conducted. It was announced that the circle would be in charge of the program for a quarterly meeting on Feb. 18.

Mrs. C. P. McDonald taught the lesson on the Tenth Commandment entitled, "Do You Discipline Your Desires?"

Refreshments were served by the hostess to Mesdames Shive, Roy Thompson, McDonald, Barney Cloninger, Nell Null, and J. O. Burk, Miss Vyneta Denny and Miss Enid McCarroll.

W. P. Thomas and M. C. Culbertson have returned from a two-day trip to Austin and Dallas.

Mrs. Clyde Pitcock returned to her home in Denison Thursday after visiting here in the home of Mr. and Mrs. Wayne Pitcock.

Mrs. Bob Drennan of Ardmore, Okla., has been visiting here this week in the home of her parents, Mr. and Mrs. A. C. Boger.

MISS BETTY NAIL—Mr. and Mrs. A. J. Nail of 800 E. Maiden Street have announced the engagement and approaching marriage of their daughter, Betty Gelois, to Roy Lee Claybrook, son of Mr. and Mrs. W. E. Claybrook, 1512 Fannin Street. The wedding will take place on Feb. 24, in the home of the bride-elect's parents. Miss Nail is a student at Vernon High School. The groom-elect attended Vernon High School and is now a corporal in the 19th Armored Division of the National Guard.

Committees Named For Hawkins PTA Amateur Program

Committees have been named and are being announced today for the "Talent Night" amateur show being sponsored by the Hawkins School P. T. A. The show is scheduled for Friday, Feb. 29, at 7:30 p. m., in the new auditorium.

Plans for the show have been progressing and invitations have been mailed to all schools in the city and county to sponsor entries in the event. Posters advertising the show are being displayed in downtown store windows. These were made by Mrs. J. B. Wood's fifth and sixth grade art pupils at Hawkins School.

Members of the executive board of the Hawkins P. T. A. are acting as a steering committee for the show with Mrs. E. W. Featherston as general chairman.

Other committees named are: Program—Mesdames Henry Jacobson, chairman, Dickson Boger, Paul Owen, Featherston and G. H. Richie, Jr.; Publicity—Mesdames Frank Scott, chairman, W. E. Stringer and W. E. McBroom; Refreshments—Mesdames Otto Obenhaus, Jr., chairman, W. T. Belew, O. R. Ivy and Roy Martin; Prizes—Mrs. Bill Streit, chairman, and Mrs. C. C. Winter; Tickets and Cashiers—Mrs. Lew Groves, chairman, and Mrs. E. H. James; Ushers—Mrs. Johnnie Rainwater.

Plans for the event call for a variety type show. Refreshments of coffee, cold drinks, cake and pie will be served at popular prices. Admission will be 40 cents for adults and 10 cents for children.

Polio Drive Nets \$2,100 In Hardeman County

Quannah, Feb. 8.—More than \$2,100 had been collected for the National Foundation of Infantile Paralysis in Hardeman County and several communities had not reported when this tabulation was made this week, according to T. S. Hanna, county chairman.

A total of \$1,900 was collected during the hour-long "March of Mothers" held here on the night of Jan. 31. The drive for funds in Quannah was spearheaded by the Business and Professional Women's Club.

The final total for the county will be released next week.

Gene Bourland, student at Southern College of Optometry in Memphis, Tenn., arrived Friday to visit his parents, Mr. and Mrs. Hugh Bourland.

Mr. and Mrs. Jack Denny and daughters, Jane and Ann, of Washington, Mo., are visiting here with his mother, Mrs. Clyde Hamm, and Mr. Hamm.

Area Church Meet Slated For Sunday

The elders of the Church of Christ of Wichita Falls have announced an area meeting for Sunday in connection with the nationwide radio program, "The Herald of Truth."

Barry Brown, spokesman for the elders, said that the meeting will be held in the 10th and Broad streets church at 2 p. m. Sunday with the local radio station piping the program to those assembled.

James W. Nichols, young radio evangelist of the network program, will make three personal appearances in Wichita Falls Sunday.

McMurry Team To Direct Methodist Youth Activities

A deputation team of church students from McMurry College at Abilene, composed of two boys and four girls, will arrive in Vernon on Saturday, Feb. 9, to participate in services at the First Methodist Church.

The Women's Society for Christian Service of the church will serve a supper for the team and members of the youth division of the church at 7 p. m. Saturday evening. The supper will be followed by a period of recreation.

Sunday morning the team will teach classes in the senior department of the church. At 5 p. m. they will be in charge of the regular vesper service.

The MYF meeting at 6:30 p. m. Sunday, will be directed by the McMurry students. Members of the MYF have been asked to bring their own supper Sunday evening to be served at 6:15 p. m. preceding the meeting. A recreation period will follow the meeting.

Four Persons in Sheriff's Race

Quannah, Feb. 8.—Four candidates are now soliciting votes for the office of sheriff of Hardeman County to practically assure a run-off in this race following the Democratic primaries.

John Procter, former Quannah groceryman and stock farmer, is the latest aspirant to announce his candidacy. The incumbent, Malon C. Owen, first announced his entering the race for re-election and his announcement was quickly followed by that of Tom W. German, service station owner. The third person to enter the race was W. O. (Dick) Akers, Goodlett farmer.

Making their costumes authentic to the last detail, the youngsters carry an earthenware pitcher and a basket of tropical fruit. The event, taking place at a leading hotel, was for the League of Pity.

34 Socialists Are Released From Jail

Buenos Aires, Argentina, Feb. 8. (AP)—The Peron Government has released 34 Socialists from jail cells they have occupied since last August but still is saying nothing about hundreds of other politicians and former military officers caught in a police dragnet this week.

The wave of mass arrests—obviously to stifle opposition to President Peron's regime—has been blanketed from public knowledge by strict secrecy. Official police and government sources said they were unaware of any police raids, and newspapers said nothing about them. But private reports confirmed raids have been going on since Sunday in the capital and elsewhere.

Private sources expected the Government to issue a communique soon charging another plot against Peron and stating it has been crushed.

Off the Record

By Bill Werley Sports Editor

Arnold Davis, former Duster outfielder, has been purchased by Lubbock from Austin of the Big State League. Davis played only part of the season for Austin and hit .294. He is 28 years of age.

Washington is planning to send Dean Currier, one of its brightest diamond prospects, to Big Spring for the 1952 season. Currier experienced arm trouble while with Charlotte last season. The warm Texas sunshine is expected to get the kinks out of the pitcher's arm.

The Sweetwater Braves (nee Swatters) will train at Del Rio along with the other clubs of the Gonzalez chain. Gonzalez has indicated that he plans to put a winning ball club in Sweetwater this year.

Don Henselk has been traded by Corpus Christi to Odessa for Les Palmer, hard-hitting outfielder. Palmer hit .336 last season. Odessa also acquired the contract of Manager Bobby "Pepper" Martin from Corpus. He had been on option.

Odessa batterymen will report to Corpus on March 15, with the regular Spring drills of the Oilers slated to get under way March 20 at Hondo.

Pitchers Tony Iglesias and Manny Fernandez of Big Spring have been sold by that club to Greenville of the Cotton States League.

Iglesias, a lefthander, had a 4-6 record with the Broncos, while Fernandez posted a 13-13 mark. Manager Pat Stasey will go to Cuba on Feb. 15 to search for more Cubans.

Tom Miller of Sunset High in Dallas went on a scoring rampage in a basketball game the other night. He hit 19 field goals and 14 free throws for a total of 52 points.

P. S.—His team won the game and the 4-AAAA title.

Looking at the comic pages makes me feel quite old.

I see where Junior of the Dick Tracy comic strip is about to get married.

Time marches on.

Southern Methodist Coach Greets 88 Grid Aspirants

Dallas, Feb. 8. (AP)—The Southern Methodist Mustangs scheduled their second workout of the spring football training season today.

Eighty-eight candidates for the team reported yesterday. Coach Rusty Russell promptly put them to work in a scrimmage session.

About 45 of the squad played last season either on the freshman team or with the squad of ineligible.

GOLF MEET SLATED

Laredo, Texas, Feb. 8. (AP)—A golf meet in connection with the Border Olympics here March 7-8 will be held for the first time this year. Entrants for golf play are North Texas State, headed by National Amateur Champion Billy Maxwell; Trinity University and Stephen F. Austin.

FOUR YANKEES SIGN

New York, Feb. 8. (AP)—The New York Yankees announced today the signing of four players, all pitchers. They are righthanders Jim McDonald and Dick Carr and lefthanders Frank (Stubby) Overmire and Art Schallack.

Do it today—the Want Ad Way!

Lions Slip Past Sweetwater Mustangs, 48-46

Vernon Moves To Big Spring For Loop Tilt

Sweetwater, Feb. 8.—James Tull slipped in a field goal with just 27 seconds left here Thursday night to give the Vernon Lions a well-earned 48-46 win over the Sweetwater Mustangs.

Trailing by eight points with five minutes left, the Lions put on a determined rally that overcame the Mustangs. Sweetwater tried freezing the ball with the eight-point lead, but were unable to do so.

The Lions will journey to Big Spring Friday night in the last hop on their two-day road trip. They will return to Vernon Saturday. Other Friday action sends Sweetwater to Lamesa and Plainview to Midland.

Ramon Towry socked in 21 points to lead both teams. Lester Dye hit 16 for the Lions, Jerry Thomas 4, Gordie Harvey 3 and Tull 4. James Luttrell was the only other player seeing action with the Lions.

For the Mustangs, Carl Anderson hit 17 points for high point honors.

The score was tied 10-10 at the end of the first period and the Lions pulled out in front 24-21 at the end of the half. Sweetwater poured on the fire in the third quarter to gain a 35-32 lead.

The lead changed hands 13 times during the game and the game was tied ten times.

The Sweetwater B Squad topped Vernon B, 49-28.

Rex Layne Loses Comeback Try

Boston, Feb. 8. (AP)—Rex Layne, Salt Lake City heavyweight attempting a fistic comeback at the tender age of 23, today was convinced he had made a false start.

After being rudely checked last year by Rocky Marciano and ex-titlist Ezzard Charles, Layne took a long layoff and resumed action two weeks ago.

He warmed up by knocking out Bob Garner of Lexington, Ky., in three rounds in Salt Lake City, and then accepted an offer to tangle with Willie James of Boston, another comparative unknown, here last night.

James, who had only 18 previous professional engagements, had little trouble gaining a unanimous 10-round decision over the wild-swinging and wide-open Layne, who was pudgy at 199 pounds. James, a full head taller, weighed only 5½ pounds more.

James' counter punching damaged both of Layne's eyes and dropped him for a two-count in the ninth round.

"We didn't know what we were running into," Marv Jensen, Layne's manager lamented after the bout. "We took the match on six days notice, which didn't give Rex time enough to train down to his 190 normal fighting weight."

HELD FOR INVESTIGATION

Dallas, Feb. 8. (AP)—A 62-year-old gravel pit owner who said he mistook an automatic pistol for a fancy cigarette lighter is being held for investigation in the fatal shooting of James E. Calloway, 27. Calloway was shot through the heart yesterday as he stood beside his truck near the gravel pit. The gravel pit owner said he had been trying to light a cigarette when Calloway drove up in his truck. He said Calloway handed him the pistol saying: "Try my new cigarette lighter."

JAMES TULL...he hit...Lions won.

Midgets Hold 'Short' Talk With Hornsby

El Centro, Calif., Feb. 8. (AP)—

In case there is any doubt about it, this is to advise that there will be no midgets playing for the St. Louis Browns as long as Rogers Hornsby is the manager.

Hornsby made this clear yesterday to all—including seven midgets.

Hornsby and the seven little midgets met at the Brown's temporary training camp yesterday.

The wee peoples' spokesman, Billy Curtis, from Hollywood—where else?—made a brief speech. He said his people had a "soft spot" in their hearts since the Browns used a midget in a regular game last year as a pinch-hitter.

Serious-minded Rogers listened for a minute or so, but when the leader of the so-called Hollywood Midgets Baseball Club said they had "come down to help the Browns," the Rajah could go along no further.

He pointed out that he was in the midst of a big league operation and, to put it politely, simply didn't have the time to fool around with the gag.

However, he did go along with the gag long enough to pose for pictures.

Then, according to Curtis, Hornsby concluded with the order: "get out."

The 1951 midget episode, you remember, was a huge joke perpetuated by Bill Veeck, showman president of the Browns.

Plane Wreckage and Body of Pilot Found

Abilene, Feb. 8. (AP)—The body of a youthful pilot whose plane crashed last week in a violent West Texas sand storm was found yesterday.

The victim was Perry Marvin Singleton, 22, University of Colorado student, who was flying from Boulder, Colo., to visit two brothers in Dallas. He disappeared last Saturday night after contacting the Abilene Airport by radio. He told the airport he was lost and his plane was low on fuel.

For almost half an hour the airport tried to direct him to a safe landing. Then Singleton's radio went silent.

Late yesterday J. C. Rutledge, an oil company employee, found the plane wreckage in a wooded area about 12 miles northeast of here.

The area had been thoroughly searched by air before but the plane had crashed at an angle beneath some trees, preventing it from being seen.

DROP NOTED

Tulsa, Feb. 8. (AP)—A slight drop in Oklahoma oil field completions was noted this week in the Tulsa World's survey. There were 132 wells finished compared to 144 the previous week. Operators reported 77 oilers, two gasers, 52 dusters and one site abandoned.

DIES OF INJURIES

Beaumont, Feb. 8. (AP)—Leo Dwyer Holden, 65, pipefitter's foreman at the Bethlehem yards, died last night of head injuries received yesterday when he fell 12 feet into a steel tank while working in the hold of a ship.

Palmer Leads Golf Tourney At El Paso

El Paso, Feb. 8. (AP)—Johnny Palmer, the Badin, N. C., tournament veteran, for whom the cash register hasn't been ringing lately, set out at the head of the field in the \$10,000 El Paso Open's second 18-hole round today.

Palmer led with a seven-under-par 64 but his position was a trifle shaky even for the first round—which wasn't finished for nine players last night.

Among them was Marty Furgol, Lemont, Ill., who had a four-under-par when he was forced to quit on the 13th green because it was too dark. He winds up the first round the first thing today.

Another unfinished player was Hank Mercer, Detroit, who was even par through 13. The others had high scores.

Par was bettered 34 times by the field which started as 141 players but had a half-dozen withdrawals.

Breathing on Palmer's neck was Cary Middlecoff, Memphis, Tenn., who did a 65. Middlecoff missed only one green and his putting was something to behold. He sank two 20-footers and one 15-footer.

In third place, a stroke behind Middlecoff, was Doug Foid, Harrison, N. Y., while Fred Hawkins of El Paso and that muscular man from Toledo, Ohio, Amateur Frank Stranahan, tied for fourth place with 67.

The reason all players couldn't finish was that frozen greens yesterday morning caused an hour's wait.

After today's round the field will be cut to the 60 low professionals and ties plus the ten low amateurs. They will play the final 36 holes Saturday and Sunday.

Semi-Finals Set In Golf Tourney

Palm Beach, Fla., Feb. 8. (AP)—

Four survivors in the field of 98 players tee off today in semi-finals of the 28th annual Women's Golf Championship of Palm Beach.

Claire Doran, former Doherty women's champion from Cleveland, O., plays Edean Anderson of Helena, Mont., and Pat Garner of Midland, Texas, meets Mary Ann Downey of Baltimore in 18-hole matches.

The finals, also at 18 holes, will be played Saturday over the 6,008-yard Palm Beach Golf Club course where women's par is 35-37-72.

Miss Doran won over Medalist Grace DeMoss of Corvallis, Ore., 5 and 4, yesterday in her second match of the day. Miss Anderson defeated Bee McWane of Birmingham, Ala., 3 and 2.

Miss Downey eliminated Evelyn Odom of Miami, 1-up, and Miss Garner won over Marjorie Lindsay of Decatur, Ill., 3 and 2.

Income Tax Assistance Will Be Available

Been having trouble with your income tax return? Then the collector of internal revenue may have some good news for you.

Deputy Collector Kenneth F. Washington of Dallas will be at the city hall here in Vernon from 8:30 a. m. to 5 p. m. March 4 and 5 and March 11 to 15 to help you with your income tax problems. The service is free.

Existing laws do not impose this duty upon us or our employees, Collector Ellis Campbell, Jr., explains. The deputy collector's advice and assistance is extended purely as a courtesy.

WARMER WEATHER

(By The Associated Press) Warmer temperatures were expected throughout Texas today with no rain clouds promising relief to drought-stricken areas. A city ordinance restricting the use of water for lawns, trees and shrubs to one hour daily went into effect today in Brownsville. High afternoon temperatures yesterday ranged from 75 at Chilled to 60 at Marfa.

PICTURE-MAKING PITCHER—Cleveland Pitcher Bob Lemon shows actor Ronald Reagan how to grasp a baseball during filming of the life story of Grover Cleveland Alexander. Lemon has the job of teaching Reagan, who plays the role of the immortal pitcher, proper technique and will have a speaking part in the movie, (NEA)

Oklahoma Aggies Toppled From NCAA Tourney Spot

New York, Feb. 8. (AP)—From all indications the Oklahoma Aggies are out of the running for the NCAA basketball title this year.

The team that was runnerup to Kansas State in the Western NCAA finals last year received probably a fatal blow to its 1952 hopes last night in losing to Tulsa, 46-23. It was the first Tulsa victory over the Aggies in 11 years.

It was also the Aggies' second defeat in Missouri Conference competition and gave St. Louis, unbeaten in league play, an apparent stranglehold on the league crown. The Missouri Conference winner automatically qualifies for the Western NCAA eliminations.

Meantime, unbeaten St. Bonaventure continued serenely on its way to its much-heralded Monday's meeting with Duquesne by whipping Murray State of Kentucky, 74-63. The Ducks and the Bonnies are the only major undefeated teams in the nation.

Dick Groat helped Duke come from behind in the last quarter to beat William and Mary, 68-62, in the Southern Conference. Groat scored 11 of his 24 points in the rally that erased a nine-point Duke deficit.

Marquette and Holy Cross also came through with impressive victories. Marquette, behind 37-31 at the half, rallied to upset Notre Dame, 57-50.

Holy Cross spurred in the last quarter to beat Columbia, 85-80, in overtime.

DePaul made it seven straight by nipping Manhattan, 66-65, in half of a Madison Square double-header. In the other game NYU crushed Syracuse, 95-78, after trailing 12-6 early in the fray.

In other games Utah State beat New Mexico, 62-58; West Texas nipped Arizona, 59-57; Furman took South Carolina, 59-56; Western Kentucky downed Tampa, 79-70, and Wichita edged Creighton, 63-62.

Cleaners Increase Lead On 2nd Place in Pin Loop

The M&M Cleaners gained a full game over the third place Standard Oilers in the Vernon Bowling League Thursday night in the battle for second place between those two teams.

The Cleaners swept a three-

game series from cellar-dwelling Collins Motor. J. P. Williams paced the winners with a 484 series and Luke Bloomer led the losers with a 466 series.

The Standard Oilers continued at a red hot pace in the loop by downing the league-leading Susie Q Cafe team two games out of three.

Richard Beck of Standard Oil had the high series with 522 and M. J. Moerbe led the losers with a 452 series.

Beck's 522 was high series for the evening and he also posted high game of 196. Williams of M&M was second with 484 and with a high game of 188.

Most of the teams were hard hit by the flu and all had bowlers missing.

League Standings

Team	W.	L.	T.
Susie Q Cafe	39	14	1
M&M Cleaners	25	28	1
Standard Oil	24	30	0
Collins Motor	19	35	0

FEELS FINE

San Francisco, Feb. 8. (AP)—Of-

ficer Dick Wader was checking in on a police call box when he saw a man fall from the fourth floor hotel window. "Send the ambulance, we got a leaper," he cried.

But Kenneth Udell, 56, was no leaper. He had just leaned out too far. He dropped through an awning, hit the sidewalk, and was back in the hotel when Wader caught up. "I feel all right... just the same as before," he told the cop.

EIGHT WOMEN KILLED

Manila, Feb. 8. (AP)—Eight women were killed when a heavy truck knocked a bus off a bridge in La Union Province last night.

Radio Service at 2:30. "The Lutheran Hour."
Evening service at 7 o'clock. Sermon topic: "Hope to the End."

CHRISTIAN SCIENCE SERVICE
Corner Lamar and Marshall Sts.
The belief that evil can be real, when God is all-power, fills all space and constitutes all, is refuted in the lesson-sermon entitled "Spirit" to be read at all Christian Science services on Sunday, Feb. 10. This Golden Text is included: "Teach me to do thy will; for thou art my God; thy spirit is good; lead me into the land of uprightness." (Psalms 143:10).
The Psalmist was aware of God's ever-presence and expressed it in this way: "Whither shall I go from thy spirit? or whither shall I flee from thy presence? If I ascend up into heaven, thou art there; if I make my bed in hell, behold, thou art there. If I take the wings of the morning, and dwell in the uttermost parts of the sea; even there shall thy hand lead me, and thy right hand shall hold me." (Psalms 139:7-10).

Mary Baker Eddy defines "Spirit" in these words: "Divine substance; Mind; divine Principle; all that is good; God; that only which is perfect, everlasting, omnipresent, omnipotent, infinite" (Science and Health with Key to the Scriptures, p. 594).

CENTRAL CHRISTIAN CHURCH
Wilbarger and Mesquite Streets
KENNETH TEEGARDEN, Minister
9:45—Sunday Church School. Classes for all ages. Betty Ruth Plumley, Director of Religious Education.

2:30 p. m.—Each First Sunday, community singing.

HIS TEMPLES of WORSHIP

PICTURED here are various types of churches, ranging in cost from a few hundred dollars to over a million. The imposing structure in center is one of the most beautiful in America. Its physical equipment consists of almost everything possible for man to build into "HIS Temple of Worship."

Elsewhere on this page are pictured other types of churches in different cost brackets. You'll find in every community in America a church suited to the likes of those it serves.

A community without a church would be a poor place to live indeed. In city or hamlet throughout this land you'll find the rich and the poor flocking to the church of their choice on Sunday with a common faith and a common purpose.

The church points the way to a fuller and more useful life. Resolve to attend your church every Sunday.

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good.

Follow These Good Brooding Practices

Good healthy chicks—that's the aim of every poultryman. But getting good healthy chicks is something else. Unless the poultryman starts with good stock and exercises good brooding practices, he is likely to fail. The care given to chicks should be the best, even when the raiser must devote much time and labor to the project.

There are many brooding pointers which advise the raiser what to do before the chicks arrive, when they arrive, and after they get started. Here are a few recommendations considered particularly important:

Heating the Brooder House

The day before you expect your

XXXXIII
"YOU'VE done a lot of talking about me," Peter began, "but very little to me. Yesterday you talked to Mr. Starr about me. This morning I was fired about me. I'm getting a little fed up with this behind-the-back talk, Mr. Cota. I think it's time we had some face-to-face dealings. Since your interest in me is so lively, maybe you'll explain a few things—such as why I'm being investigated by the FBI."

"I did not call Mr. Starr," the superintendent pointed out, the black eyes darting in the huddled face. "He called me. He asked me how soon you were going to be needed here on an atomic research project, and I told him I know of no project at this hospital for which your services would be acceptable. When he asked me why, I told him the truth. I told him why you left here last June. As one employer to another, I owe him that information. I wouldn't think of withholding it. As for the federal investigation, I had nothing to do with that. That is the doing of your friend, Dr. Pelletier."

Peter catapulted off the chair arm. "Pelletier? Cota, you better make sense . . ."

Cota rang for his secretary. "Please ask Dr. Pelletier to come in to see me at once. Tell him his friend, Dr. Surinov, is here and that he's quite excited." He waved his black-banded arm at Peter. "You had better calm down, young man, and watch your tone. I think we'll do better if Dr. Pelletier is here to corroborate my statements. I'm not used to intimidation."

"All right," Peter said. "That's fine with me. I'd like very much for Dr. Pelletier to be in on this little conference." He turned away from Cota to the window, squinted his finger at a ball of drape-trim-

ming, making it clear that until Dr. Pelletier arrived there would be no further discussion.

"You're a very foolish young man," Cota said in the silence. "Your desperate actions will get you nowhere. I advise you to give up any false hope Dr. Pelletier may have given you about getting back here. As long as I'm superintendent, I mean to keep Bolsheviks out."

Peter did not deign to reply, continued to belabor the ball-fringe.

DR. PELLETIER lumbered in, out of breath. He nodded curtly to Cota, made formal mention of his name. "What's up, Peter?" he asked.

It was typical of Pelletier who, perhaps in guilt and shame at the baseness of his species, seemed bent on a personal crusade to expunge evil. The heartening thing was that the generosity of one man could so efficaciously cancel the hostility of ten. It had been this way before. Peter had known then that without Pelletier's staunch friendship, he would have in time succumbed to the dubious escape of neurotic depression.

Peter's tension eased somewhat, polished by the man's presence. There was reassurance in the humorous arch of thick eyebrow, in the bulbous lidded eyes, the arrogant mustache, the skin that hung under the chin, rough as wattles, stuffed untidily into a white starched collar. It was a lived-in face, battered and yet visibly undaunted by time and experience and the sight of human beings in action. It was a face you could not imagine behind bars or in sickness or in pain, or in any situation of which it was not a firm and temperate master.

"Walter," Peter said, "I was

fired from Starr Laboratories this morning. I understand I'm being investigated by the FBI. I figured Mr. Cota here might be at the back of things. He tried to tell me that you're responsible for the investigation. I didn't fall for it."

"It's perfectly true, Peter," Dr. Pelletier said. "I didn't want to tell you about it until things were definite. Didn't want to get your hopes up prematurely. I requested a grant for subsidy of your splenic tissue work. I specified in my request that I had you in mind for the job. Under the new law, all beneficiaries of AEC fellowships have to have FBI clearance even though they don't have access to restricted data." He turned to Cota. "I felt certain that your suspicions of Dr. Surinov's loyalty would be removed by an FBI report. We need Dr. Surinov for this work, Mr. Cota. I'm sure you're too interested in the advance of our hospital to let personal grievances interfere with its contribution to science."

"I CERTAINLY am," Cota snapped. "My objections to employing Surinov are far from personal. As for clearance, I can tell you right now he has as much chance as a snowball in hades!"

Cota's excitement alerted both men. They stood silent, attentive, waiting for him to tip his hand. "I received a letter from the Atomic Energy Commission last week," Cota went on, "informing the hospital that your request for money had been acted upon favorably pending Surinov's clearance. That was the first I knew of your request, Dr. Pelletier. You must have known that all grants come through this office, but perhaps you thought I wouldn't find out until it was too late. When I saw through your plan, I did a little investigating on my own." His head jerked sharply about to Peter. "I don't think you're being quite fair to your friend here, are you, Surinov? I don't think Dr. Pelletier would have been so naive as to call on the FBI if you'd come clean with him . . ."

If you are deficient in Vitamins B₁, B₂, B₆, or Niacin

NEW WONDER CAPSULE MAY GET AT THE REAL CAUSE OF YOUR TIRED, NERVOUS FEELING

There is no need to suffer from these symptoms, along with constipation, insomnia and loss of appetite, if they are due to dietary deficiencies which occur only when the daily intake of B-vitamins and Niacin is less than the daily requirement over a prolonged period. These non-specific symptoms in themselves do not prove a dietary deficiency and may have other causes or be due to functional conditions.

Essential Vitamins and Minerals
Sensational BEXEL SPECIAL FORMULA comes to you in easy-to-take, safety-sealed capsules that contain the essential B-vitamins, Iron and other minerals known to be essential in human nutrition and other factors as well... including important Vitamin B₁₂.

You Feel Better After One Bottle—You take just one BEXEL SPECIAL FORMULA capsule a day... at a cost of only 6¢... and from the very first one... you're on your way to new energy, new sparkle, new zest for living.

...OR YOUR MONEY BACK!

only 6¢ a day!

Potency Guaranteed by McKesson & Robbins

CANDY—So Sweetly

New Hope for Hearts

Heart disease is the leading cause of death in this country. But it need not be. Advances in heart research and therapy by the medical profession have developed new methods of treatment that offer a new lease on life to the heart patient. The greatest danger in heart illness is the victim's unawareness of the existence of the condition. Check with your doctor regularly — particularly if persistent symptoms give you cause for concern. And if you have a heart condition, follow your doctor's instructions to the letter.

The "Heart and Torch" is the symbol of the American Heart Association.

WHO DO THEIR WASH...

She gets the cleanest clothes in town

... she swears by **TIDE!**

“
She hangs the cleanest wash in town;
No wonder that she beams so!
Tide gets her white things dazzling white—
Makes all her colors gleam so!”

Tide GETS CLOTHES CLEANER THAN ANY SOAP!

TIDE not only washes clothes cleaner—
but whiter, too, in hardest water!

CLEANER CLOTHES! When you rinse out a Tide wash, you've got the *cleanest* clothes in town... cleaner clothes than any other woman will get with any soap of any kind. And here's why—Tide not only gets out ordinary dirt, but removes dulling soap film, as well.

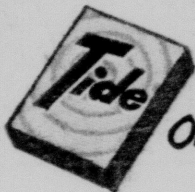

WHITER, TOO! Laboratory tests prove Tide gets clothes cleaner and whiter than any soap in hardest water. What's more, after just one Tide wash, soap-dulled colors actually come brighter! Millions of you women have proved these Tide miracles. You've seen the proof in your husband's cleaner, whiter shirts... in your own bright wash prints.

NEW MILDNESS FOR HANDS! Yes, Tide is kind to your hands—now milder than ever before. Tough on dirt—but easy on your hands—that's Tide! Get Tide today and hang the cleanest wash in town on your line!

IT'S FOR YOU—to make your washday easier and brighter!

No-Rinse Surf

gets clothes so **CLEAN**-really **CLEAN**-
you need never rinse again!

Half the work of washday is over—from now on! For new Surf is here, and it gets your clothes so dazzling clean and soft and sweet—you don't have to rinse at all! Just wash—wring—and the dirt rolls out with the wash-water!

Even without soaking or scrubbing—bleaching or bluing

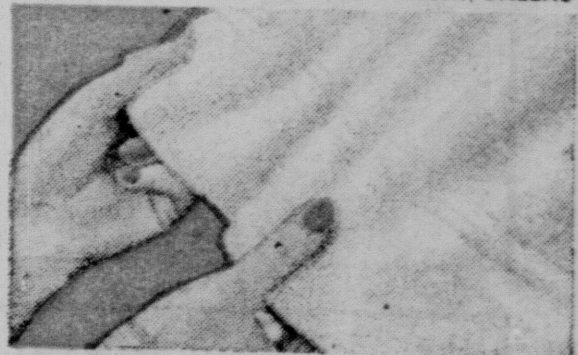

—you'll find your clothes look cleaner, feel cleaner, smell cleaner—and they are cleaner! That's because Surf contains a miracle ingredient that floats dirt away. Down the drain it goes—leaving your clothes and your tub gleaming-free of any scum. Get No-Rinse Surf—you'll soon agree it's the greatest washday wonder yet!

Buy it in the convenient thrifty giant size
Only washday product approved by
U.S. Testing Company for no rinsing!

SEE HOW CLEAN! "Believe me, I was amazed to see how clean and white Surf got my wash—and I didn't use bleach or bluing, or rinse at all!"

—says MRS. TINK PICARD
2617 Rosedale, DALLAS

FEEL HOW CLEAN! "I had to feel the clothes before I could believe they were really soft—and it's true! With Surf everything dried light, fluffy!"

—says MRS. KATHERINE L. JONES
2801 W. Park, OKLAHOMA CITY

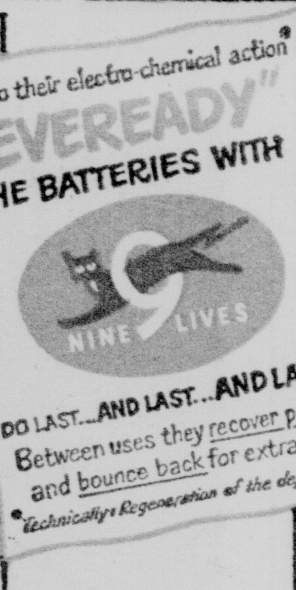

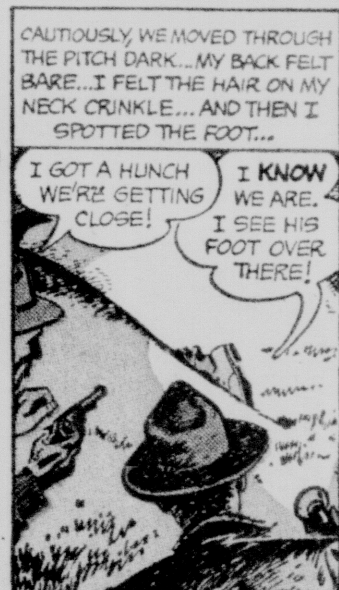

SMELL HOW CLEAN! "You can always tell a clean wash by the way it smells—No-Rinse Surf proved itself to me! My clothes came out breeze-fresh!"

—says MRS. LILICE GATER
305 N. Valencia, ALBUQUERQUE
